# Forming Health Care Leaders: A Guide

*Forming Health Care Leaders: A Guide* – outlines and explains the themes that are essential for the formation of leaders for the kind of health care that strives to achieve the highest ideals of human dignity and fulfillment. This new publication complements the *Health Ethics Guide* also available from the Catholic Health Alliance of Canada.

Production of the Guide was a joint project of the provincial Catholic health associations, the Network of Public Juridic Person (PJP) Sponsors, and the CHAC.
